ABOUT ME

Graduate in Computational Mathematics, currently completing an MSc in Geospatial Technologies, with a strong background in applied mathematics, algorithms, and programming. I have advanced analytical skills, logical thinking, and experience solving complex problems using computational tools. I am interested in applying my knowledge in areas such as data analysis, mathematical modeling, or the development of technological solutions. I am known for being responsible, eager to learn, and results-oriented.

EDUCATION AND TRAINING

Master's of Science in Geospatial Technologies (Erasmus Mundus Program)

NOVA IMS, Institute for Geoinformatics of WWU, and Universitat Jaume I [01/09/2025 – Current]

Address: Campus de Campolide, 1070-312 Lisbon (Portugal) | **Website:** https://novaims.unl.pt/ | **Field(s) of study:** Natural sciences, mathematics and statistics: • Inter-disciplinary programmes and qualifications involving natural sciences, mathematics and statistics | **Level in EQF:** EQF level 7 | **NQF Level:** 7 | **Type of credits:** ECTS | **Number of credits:** 90 | **Thesis:** Spatio-temporal Hawkes process modelling of lightning strike clustering in southern France

Spatial data science and statistics, geoinformatics, remote sensing, spatial databases and GIS, statistical and mathematical modelling for geospatial applications. Thesis: spatio-temporal Hawkes process modelling of lightning strike clustering in southern France, separating clustering driven by atmospheric conditions (heat, humidity, terrain) from clustering where one strike makes the next more likely, using twenty years of strike data over two regions (supervisors: Jorge Mateu and Edzer Pebesma).

Bachelor's degree in Computational Mathematics

Univeristat Jaume I [01/09/2021 – 18/07/2025]

City: Castellón de la Plana | **Country:** Spain | **Website:** https://www.uji.es/estudis/graus/matematica/ | **Field(s) of study:** Natural sciences, mathematics and statistics: • Mathematics • Statistics ; Information and Communication Technologies: • Computer use • Software and applications development and analysis | **Final grade:** 7.49 | **Level in EQF:** EQF level 6 | **NQF Level:** Level 6 | **Type of credits:** ECTS | **Number of credits:** 240 | **Thesis:** Dynamic of iterative methods: The Chebyshev-Halley Family

WORK EXPERIENCE

ironArray SLU – Grao de Castellón, Spain

Scientific computing and data optimization

[28/01/2025 – 30/04/2025]

As part of my degree programme, I completed a curricular internship where I assisted in the development and optimisation of scientific data algorithms.

- Assisted in the development and optimization of scientific data algorithms.
- Focused on matrix transposition and memory layout improvements for the Blosc2 library.

- Designed and conducted performance benchmarks comparing Blosc2 with NumPy.
- Documented results and contributed to a blog post presenting performance outcomes: https://www.blosc.org/posts/optimizing-chunks-transpose/

Universitat Jaume I – Castellón de la Plana, Spain

Research assistant in clinical data analysis

[04/11/2024 – 04/02/2025]

During my collaboration scholarship at the GIANT research group, I focused on analyzing rescue failures in hospital settings:

- Conducted a literature review on clinical rescue failure and hospital admission data.
- Analyzed hospital datasets to identify patterns and risk factors related to patient deterioration.
- Applied logistic regression and clustering techniques.

TECNINAU Cooperativa Valenciana – Burriana, Spain

Leisure and youth activity instructor

[18/04/2022 – 25/07/2024]

Worked during the summer and Easter holiday periods as a leisure and youth activity instructor at *Les Escoles de la Mar* in Burriana and Benicasim, supervising participants outside of nautical sessions.

Especific dates of employment:
- 23 Jun 2024 – 25 Jul 2024
- 10 Apr 2023 – 30 Jul 2023
- 18 Apr 2022 – 29 Jul 2022
- Summer 2021 (internship/practical training)

Main activities and responsibilities:
- Organised and led group dynamics, workshops, games, and land-based sports to promote social interaction, cooperation, and inclusion.
- Managed daily routines including meals, hygiene, rest periods, and evening activities, ensuring participants' well-being and safety.
- Collaborated with nautical instructors to coordinate transitions between sea and land-based schedules.
- Addressed minor conflicts and supported emotional well-being through attentive, empathetic supervision.
- Participated in educational team meetings for activity planning and programme evaluation.
- Promoted respect for others and environmental awareness in line with the educational goals of the programme.
- Enforced safety and behavioural guidelines in all camp settings.

LANGUAGE SKILLS

Mother tongue(s): Spanish

Other language(s):

English

LISTENING C1 **READING** C1 **WRITING** C1

SPOKEN PRODUCTION C1 **SPOKEN INTERACTION** C1

Catalan

LISTENING C1 **READING** C1 **WRITING** C1

SPOKEN PRODUCTION C1 **SPOKEN INTERACTION** C1

French

LISTENING A2 **READING** A2 **WRITING** A2

SPOKEN PRODUCTION A2 **SPOKEN INTERACTION** A2

Portuguese

LISTENING A1 **READING** A1 **WRITING** A1

SPOKEN PRODUCTION A1 **SPOKEN INTERACTION** A1

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

SKILLS

Maths

think analytically / mathematical modelling / probability theory / geometry / algebra / statistics / Computational Mathematics / algorithms / numerical analysis / MATLAB / R / Calculus, linear algebra, geometry, and other fundamental concepts of mathematics

Computer Science

computer programming / scientific computing / debug software / process data / levels of software testing / ICT debugging tools / database / SQL / GIT version control, Linux Command / Python (computer programming) / Java (computer programming)

Personal skills

work as a team / solve problems / relate empathetically / adapt to change / organisational resilience / supervise children

Geospatial Technologies

geographic information systems / remote sensing techniques / handle geospatial technologies / Spatial Data Analysis / Spatial statistics / data mining methods / ArcGIS Platform (ArcMap, Arc Catalog, Arc Scene , ArcGIS online, ArcGIS Pro and Arc Server)

DRIVING LICENCE

Driving Licence: AM

Driving Licence: B

Driving Licence: Recreational Boat Navigation Licence
